#### Skills

- Html5
- CSS3
- Bootstrap
- JavaScript
- ReactJs (learning)
- Python
- Dart
- C

#### Tools

- VS Code
- Figma
- Canva
- Adobe Lightroom
- Fusion 360
- Lightburn
- Crealty

#### Extracurricular

- Crypto Marketing
- Crypto Trading
- Designing

#### Workshop & Seminar

- Generative AI
- AI: Boon or Bane
- Breaking into DataScience

## PROJECTS

### Individual

#### ArtWorld Design

Created a user-friendly product showcase website with HTML, CSS, and JavaScript, ensuring smooth navigation and interactivity. Employed responsive design for cross-device appeal and effectively presented product details to engage customers.

#### Weather Forecasting

Built a weather forecast project with HTML, CSS, and JavaScript, offering a user-friendly interface for current and future weather. Integrated interactive elements for easy exploration, ensuring compatibility across devices, showcasing web development skills.

#### Portfolio Website

Designed and developed a personalized portfolio website with HTML, CSS, and JavaScript, showcasing projects, skills, and contact info. Integrated interactive elements for smooth navigation, ensuring responsiveness across devices, demonstrating creativity and technical expertise.

### 5+ Other

#### Team (Ongoing)

##### Mobile app for study material

As a member of a team project focused on developing a study material application utilizing Flutter and Firebase, my primary responsibility entailed bridging the frontend design component with Firebase services. This involved establishing seamless connectivity between the user interface and Firebase database, ensuring efficient data management and integrity throughout the development process.

## EDUCATION

### B.E. - Computer Engineering [CPI - 8.40]

Saffrony Institute of Technology Linch, Mehsana (2021 - Present)

HSC - SV Campus - Kadi. [IPR - 83.45] (2020 - 2021)

SSC - SV Campus - Kadi. [IPR - 95.86] (2018 - 2019)

## CERTIFICATION

Introduction to Front-End Development

Programming with JavaScript

## EXPERIENCE

SIH - 2021 & 2023

Engaged in Smart India Hackathon (SIH), honing teamwork and coordination by collaborating within a diverse team to solve real-world challenges. Demonstrated effective communication and task organization to deliver impactful solutions under tight deadlines.

### E-Cell(Entrepreneurship cell) SIT

Fulfilling the role of Vice President in E-Cell provided invaluable experience in leading a dedicated team and honing essential soft skills including management, communication, and flexibility. Additionally, our team's selection as a finalist and invitation by IIT Bombay to attend the finals of E-Cell offered a unique opportunity to bridge theoretical knowledge with practical application, further enriching our skillset and experiences.
